

O'CONNELL

COLLEGE PREPARATORY SCHOOL

01/06/2020

To Whom it may concern:

I am writing on behalf of Georgina Pizzitola, who is currently a Senior at O'Connell College Preparatory School. I have had the pleasure of coaching Georgina for her senior season of volleyball, Fall 2019.

From the moment I met her and observed her at an open gym, I knew she was something special to our volleyball team and the entire sports program. Georgina is the type of athlete every coach wants to have on their team. Every practice, weight session, game day, or school-sponsored training for younger students throughout the community, she has strived for perfection and will do her best to motivate her teammates to do the same. She will never count a less than perfect rep and will always be the one to volunteer to do a drill twice.

Georgina is a natural leader who leads by example with her heart and passion for the game and through an extremely impressive work ethic. Her teammates look to her in times of struggle, and always rises to the occasion.

Although I was only able to coach Georgina for her senior season, she is genuinely one of my favorite players to have coached in my 9 years of coaching this sport. Georgina is really something special.

Her senior season she received awards for **First Team All-State**, **First Team All-District**, and **Team MVP** all the while maintaining high enough grades to make the **Academic All-District Team** as well.

Georgina's stats for the 2019 season were as follows:

Passing - **2.3** average for the regular season and a **2.2** for the full season

Hitting Percentage - **.375** for the regular season and **.325** for the full season

Digs - **111** in District, **283** for the full season

Aces - **25** in District, **62** for the full season

I would be happy to give you more information if necessary. You may reach me at (832) 671-0922. I fully support Georgina as a student-athlete and can wholeheartedly recommend her for your program.

Sincerely,

Coach Kirsten Kubicek
Head Volleyball Coach
O'Connell College Preparatory School
